**Come in a non-scary costume if you wish.**

**We are Girl Scout Troop 51109. Our troop consists of 5th Grade Juniors from River Falls, Wisconsin and are currently working on our Bronze Award. Our Bronze Award project is making and filling sensory bags for the WWAACC (Western Wisconsin Autism Advocacy Consulting Center) Resource Room at the Special Children’s Center in Hudson, Wisconsin.**

**However, prior to working on our Bronze Award project, we must earn our Junior Aide Award. This Badge is earned by working with other children (and families) in our community.**

**Since our Bronze Award project is focused with helping the WWAACC Resource Room, we believe our Junior Aide Award should also focus on bringing smiles to those families who are also affected by autism.**

**Come take a break with our troop and join us for an afternoon of fun Fall games and activities for your family, at no cost to your family.**

**Our troop would appreciate it if your family would come and help us earn our Junior Aide Award and Bronze Award.**
